Gouache is a water-based paint that is opaque and has a velvety finish. It is a great choice for beginners because it is easy to use and can be applied in thin layers or thick layers to create a variety of effects.

## **Tips for Beginners**

Here are some tips for beginners for painting with gouache:

- Start with a good quality paint.
- Use a variety of brushes.
- Experiment with different techniques.
- Don't be afraid to make mistakes.
- Have fun!

## **Tricks**

Here are some tricks for painting with gouache:

- Use a white underpainting to create a brighter, more luminous finish.
- Add a drop of glycerin to your paint to make it more fluid and easier to work with.
- Use a hair dryer to speed up the drying process.
- Use masking tape to create crisp, clean lines.

## **Techniques**

Here are some techniques for painting with gouache:

- **Washes:** Washes are thin layers of paint that are applied to the paper or canvas. They can be used to create a variety of effects, such as creating a background, adding color to a subject, or creating a glaze.
- **Glazing:** Glazing is a technique that involves applying thin layers of transparent paint over each other. This can be used to create a variety of effects, such as adding depth and richness to a color, or creating a glowing effect.
- **Drybrush:** Drybrush is a technique that involves using a dry brush to apply paint to the paper or canvas. This can be used to create a variety of effects, such as creating texture, adding highlights, or creating a sense of age.

Gouache is a versatile and easy-to-use paint that is perfect for beginners. With a little practice, you can learn to create beautiful works of art with gouache.
