1. Cast on 20 stitches.
2. Row 1: Knit 1, purl 1.
3. Repeat Row 1 for the desired length of the cuff (approximately 2-3 inches).
4. **Thumb Hole:** Decrease 3 stitches evenly across a row. Work in the basic ribbed pattern for another inch.
5. Pick up the 3 stitches decreased and rejoin the yarn to continue knitting in the ribbed pattern.
6. Knit until the glove reaches the desired length, leaving a small gap for the thumb (approximately 2 inches from the thumb hole).
7. Bind off all stitches.
8. Sew the edges of the gap together to create the thumb opening.

Decorative Patterns:

- **Cable Braids:** Create interlacing patterns by twisting stitches.
- **Lace Stitches:** Use combinations of knit and purl stitches to create delicate, openwork designs.
- **Embroidered Motifs:** Add personal touches by stitching designs onto the gloves using a yarn needle.

Embrace your creativity and make your gloves truly unique by:

- **Embellishing with Buttons:** Add a touch of sophistication with decorative buttons.
- **Adding Beads:** Create a playful and whimsical look by sewing on beads in various colors and shapes.
- **Incorporating Lace:** Attach delicate lace trim around the cuffs or thumb holes for a feminine and elegant finish.
- **Start with a Simple Pattern:** Choose a basic ribbed or stockinette stitch pattern for your first pair of gloves.
- **Use the Correct Needle Size:** The needle size should match the recommended size on the yarn label.
- **Count Your Stitches Regularly:** Keep track of the number of stitches in each row to avoid errors.
- **Don't Be Afraid of Mistakes:** Everyone makes mistakes. Just undo the stitches and start again.
- **Take Your Time:** Enjoy the process and don't rush through it.
