Dark Nation: The Complete Series is a groundbreaking documentary that takes viewers on a journey into the darkest recesses of human nature. This comprehensive six-part series explores the psychological and sociological factors that drive people to commit evil acts, providing an unflinching look at the capacity for darkness that resides within us all.

The series is hosted by renowned criminologist and psychologist Dr. Michael Stone, who has spent decades studying the minds of criminals. Dr. Stone takes viewers on a journey through the twisted minds of serial killers, mass murderers, and other perpetrators of heinous crimes. He interviews experts in the fields of psychology, sociology, and criminal justice to gain insights into the motivations and behaviors of these individuals.

Dark Nation: The Complete Series is not for the faint of heart. It is a graphic and disturbing look at the darkest side of human nature. However, it is also an important and educational series that offers valuable insights into the complexities of human behavior. The series is a must-watch for anyone interested in criminology, psychology, or the sociology of evil.

The Episodes

Each episode of Dark Nation: The Complete Series focuses on a different aspect of the dark side of human nature. The episodes are as follows:

- **Episode 1: The Nature of Evil** - This episode explores the nature of evil and its origins. Dr. Stone interviews experts in the fields of psychology, sociology, and religion to discuss the different theories about what motivates people to commit evil acts.
- **Episode 2: The Serial Killer** - This episode takes a look inside the minds of serial killers. Dr. Stone interviews serial killers and experts in the field of criminal profiling to learn about their motivations and methods.
- **Episode 3: The Mass Murderer** - This episode examines the psychology of mass murderers. Dr. Stone interviews mass murderers and experts in the field of forensic psychology to learn about the factors that drive people to kill multiple people.
- **Episode 4: The Torturer** - This episode explores the psychology of torture. Dr. Stone interviews torturers and experts in the field of human rights to learn about the motivations and methods of these individuals.
- **Episode 5: The Terrorist** - This episode examines the psychology of terrorism. Dr. Stone interviews terrorists and experts in the field of terrorism to learn about the factors that drive people to commit acts of terror.
- **Episode 6: The Genocide** - This episode examines the psychology of genocide. Dr. Stone interviews survivors of genocide and experts in the field of genocide studies to learn about the factors that drive people to commit mass murder.
