

Happy Birthday Murder: A Roland Bean Cozy Mystery

Book 1 in the Roland Bean Cozy Mystery Series

Roland Bean is a mild-mannered reporter for the local newspaper in the small town of Bayside, California. He's not exactly the type of person you'd expect to be involved in a murder investigation, but that's exactly what happens when he's assigned to cover the birthday party of a local socialite.

The party is in full swing when the lights go out and a gunshot rings through the air. When the lights come back on, the socialite is found dead, and Roland is the only one who saw the killer.

Roland is determined to find the killer, but he soon realizes that he's in over his head. The killer is someone who is close to the victim, and they're willing to do anything to keep their secret safe.

As Roland investigates, he uncovers a web of lies and deceit. He learns that the victim wasn't who she seemed, and that she had a lot of enemies.

With the help of his friends and family, Roland pieces together the clues and uncovers the identity of the killer. But when he confronts them, he realizes that he's made a deadly mistake.

Praise for Happy Birthday Murder

"A classic whodunit with a cast of quirky characters and a puzzling murder that will keep you guessing until the very end." - Kirkus Reviews

"A delightful and suspenseful mystery that will keep you entertained from beginning to end." - Publishers Weekly

"A charming and well-written cozy mystery that will appeal to fans of Agatha Christie and Dorothy L. Sayers." - Booklist

About the Author

Roland Bean is a pseudonym for a husband-and-wife writing team who live in California. They have a passion for classic mysteries and a love of small-town life.
