Born in Tennessee in 1844, Wilkins moved west at a young age, drawn by the promise of adventure and opportunity. He found himself in the rough-and-tumble towns of the Arizona Territory, where violence and lawlessness were rampant. Undeterred by the dangers, Wilkins became a deputy U.S. Marshal, eager to bring justice to the lawless frontier.

Wilkins quickly gained a reputation for his fearless pursuit of outlaws and his unwavering commitment to uphold the law. His most famous exploit took place in the legendary town of Tombstone, Arizona, in 1881. The infamous gunfight at the O.K. Corral pitted Wilkins and his fellow lawmen against a group of outlaws led by Billy Clanton and Ike Clanton. In the ensuing shootout, three of the outlaws were killed, including Billy Clanton, while Wilkins himself was struck by a bullet that shattered his elbow.
