The memoir begins with the author's childhood in a small town in the Midwest. She was a happy and carefree child, but her life was turned upside down when her mother was diagnosed with cancer. Her mother's death sent her into a tailspin of grief and depression. She lost all interest in life and dropped out of school.

The author spent the next few years living in a haze of drugs and alcohol. She lost all of her friends and alienated her family. She hit rock bottom when she was arrested for possession of drugs.

After her arrest, the author realized that she needed to change her life. She entered rehab and began the long and difficult journey of recovery. With the help of her therapist, she began to confront the grief and pain that she had been carrying around for so long.

Slowly but surely, the author began to heal. She went back to school and got her degree. She got a job and started rebuilding her life. She also found love again and married a wonderful man.

The author's journey is a powerful reminder that even in the darkest of times, there is always hope. She shows us that it is possible to overcome adversity and find healing. *The Bone Mother Memoir* is a must-read for anyone who has ever experienced grief or loss.
