The novel is set in the year 2432. Earth has been devastated by a nuclear war, and the survivors have been forced to flee to other planets. A group of humans led by Captain John Hanson is sent to the planet Earth Three to establish a new colony. However, they soon discover that the planet is already inhabited by an alien race called the Cyborg. The Cyborg are a technologically advanced race who are hostile to humans. Hanson and his

crew must fight for their survival against the Cyborg and find a way to return to Earth.

The Forgotten Empire is a well-written and exciting science fiction novel. Cherryh creates a believable and immersive world, and her characters are well-developed and relatable. The novel is full of action and suspense, and it is sure to keep readers entertained from beginning to end.

Characters

- Captain John Hanson: The leader of the human colony on Earth Three. Hanson is a brave and resourceful leader who is determined to protect his people.
- Lieutenant Sara Jenkins: Hanson's second-in-command. Jenkins is a skilled warrior and a loyal friend.
- Dr. Elizabeth Shaw: The colony's doctor. Shaw is a brilliant scientist who is dedicated to helping the colony survive.
- Engineer Mark Rogers: The colony's engineer. Rogers is a skilled craftsman who is responsible for keeping the colony's equipment running.
- Cyborg: The alien race that inhabits Earth Three. The Cyborg are a technologically advanced race who are hostile to humans.

Setting

The Forgotten Empire is set on the planet Earth Three. Earth Three is a distant planet that is similar to Earth in many ways. However, the planet is also home to the Cyborg, an alien race who are hostile to humans. The

novel is set in the year 2432, after Earth has been devastated by a nuclear war.

Themes

The Forgotten Empire explores a number of themes, including the following:

- The importance of survival: The humans on Earth Three must fight for their survival against the Cyborg. The novel shows how people can overcome adversity and work together to achieve their goals.
- The dangers of technology: The Cyborg are a technologically advanced race who are hostile to humans. The novel shows how technology can be used for both good and evil.
- The importance of hope: The humans on Earth Three never give up hope, even when the odds are stacked against them. The novel shows how hope can give people the strength to overcome adversity.

The Forgotten Empire is a well-written and exciting science fiction novel. Cherryh creates a believable and immersive world, and her characters are well-developed and relatable. The novel is full of action and suspense, and it is sure to keep readers entertained from beginning to end.
